Hand Wash Series

We have both free-standing and wall-mounted fixed hand washing stations, depending on what your specific needs are. A permanent hand wash station will add value and convenience to your outdoor space. Ideal for high-traffic commercial and industrial areas, they are easy to install and maintain. Our hand wash stations are available in a plethora of colors and feature a stainless steel sink that is easy to keep clean and rust-free.

When requesting a quote or ordering please specify SS for stainless steel. Example: 600 SMSS

Available in Standard or Stainless Steel (SS).

Choose from 14 standard colors shown on page two.

Most Dependable Fountains, Inc.TM powder coats Stainless Steel (SS) & recommends Stainless Steel (SS) for all coastal settings.
